Oakfield General Undergraduate Scholarship Policy 2024

1. Purpose and Scope

This policy defines the continuing eligibility criteria for undergraduate students awarded the Oakfield General University Scholarship. All matriculated scholarship recipients must satisfy these baseline requirements each term.

2. Academic Standing & GPA Requirements

Recipients are required to maintain a cumulative Grade Point Average (GPA) of 3.00 or higher on a 4.00 grading scale. Academic standing is audited at the conclusion of each spring semester.

3. Mandatory Attendance Policy (General Regulation)

Section 3.1 Attendance Threshold: Students receiving the General University Scholarship must maintain a minimum attendance rate of 75% across all registered lecture and laboratory courses throughout the academic semester.

Failure to maintain the 75% minimum attendance threshold without an authorized medical waiver will result in immediate suspension of scholarship disbursements for the subsequent term.

Policy A: Verification & Appeal Procedures

4. Attendance Auditing

Departmental registrars report attendance logs bi-weekly. Students falling between 70% and 74.9% may submit an extenuating circumstances petition to the Dean of Students within 14 calendar days.

5. Relationship to Departmental Riders

Where general university guidelines conflict with standard financial aid rules, this general policy serves as the default administrative framework unless a specific program rider explicitly supersedes it.
